

The Highland Hotel, Strathpeffer, SCOTLAND – Another Hotel to join the Compass Hospitality Group.

Located in the Highland region of Scotland, Strathpeffer is a sought-after retreat for those in search of a peaceful and picturesque experience. Situated in the heart of Strathpeffer, The Highland Hotel is surrounded by the breathtaking natural beauty and cultural richness that the region is known for. It provides a peaceful escape, seamlessly combining Victorian architecture, spa traditions and scenic walks – an embodiment of the finest offering from the Highland Hotel.

The Highland Hotel boasts a collection of 131 elegantly designed bedrooms, each offering a blend of traditional Scottish charm and modern comforts. You can expect to be greeted with premium amenities and stunning views that capture the essence of the Scottish Highlands.

Featuring an elegant bar and restaurant in the hotel, you can enjoy great value meals and a tasty Full English Breakfast served each morning. Whether you crave traditional food or adventurous flavors, the menu is thoughtfully curated to satisfy discerning taste buds, enhancing your dining experience within the elegant confines of the hotel.

The common areas of the hotel have been revitalized to create inviting spaces for socializing and relaxation. Guests can enjoy the warmth of a crackling fireplace in the lounge, sip on signature cocktails at the bar, or take in panoramic views of the surrounding hills from the outdoor terrace.

Highland Adventures: The hotel provides easy access to a range of Highland adventures, from hiking trails and scenic drives to guided excursions that showcase the rich cultural heritage of the region. Outdoor enthusiasts can traverse the extensive hiking trail of Blackmuir Wood, where ancient rituals and an Iron Age hillfort add to the allure.

The area surrounding the Highland Hotel is full of walks of all levels, from quiet woodland or lochside wanders to a hike up the area's highest mountain, Ben Wyvis. nearby Loch Achilty is an attractive loch surrounded by wooded hills, with picnic benches perfect for a sunny day.

Harmil Singh, CEO and President of Compass Hospitality welcomed the latest addition to the portfolio. "The Highland Hotel is another significant addition to our fast-growing portfolio, showcasing the Scottish highland's unique charm and heritage. We look forward to continue our growth and commitment to the UK hospitality market"

About Compass Hospitality

Compass Hospitality is a rapidly growing hospitality management company based in Southeast Asia. They have a diverse portfolio that includes the management and operation of 50 hospitality properties across various market segments. In 2015, the group expanded its operations into the United Kingdom and has since built a portfolio of 24 hotels in different UK locations, ranging from major cities like London and Manchester.

Compass Hospitality operates under several distinctive brands, including Compass, Citrus, Citin, Ananda, and their Compass Collection, which encompasses individually branded hotels and resorts. Their range of properties includes hotels, resorts, executive serviced apartments, and spas in various countries, such as Thailand, Malaysia, Sri Lanka, and the UK.

This expansion and diverse brand portfolio demonstrate Compass Hospitality's commitment to providing a wide range of hospitality experiences to meet the needs of different travelers and markets.
